## Application for 2010-2011: Appointment to Texas ACE Communication Network

Members of Texas After-school Centers on Education (ACE) Communication Network play a vital role in program enhancement and quality assurance. Each network member serves as a key contact from his/her Education Service Center region and offers valuable insight from regional constituents to improve the ACE program. Each member must complete the application for appointment and submit it to TEA via Edvance Research, Inc. for review and approval. Only one application will be accepted per fiscal agent of any grant cycle. Approximately one-third of all members' terms will expire each year. Please see the [Guidelines of the Communication Network](#) for details about participation requirements.

Please submit this application (attach additional sheets as necessary up to a maximum of 2) along with your resume and two letters of recommendation from regional stakeholders via:
